Helpful Hints for Using the WPS Medicare Website

Best Browsers

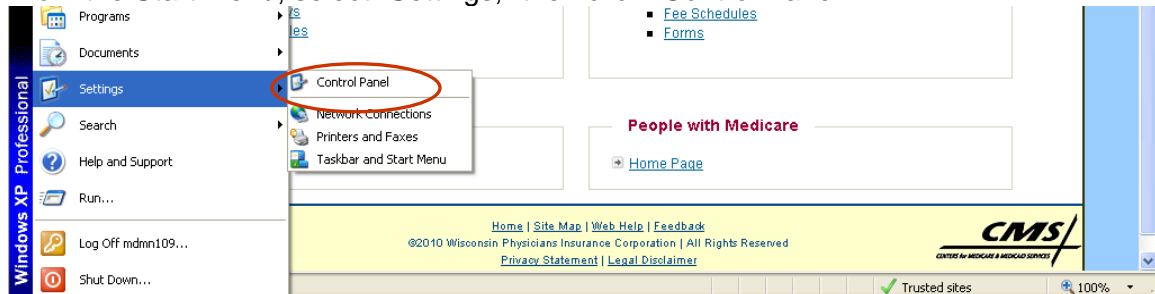

We recommend using Internet Explorer 7.0 or Firefox when viewing this site.

Best Settings

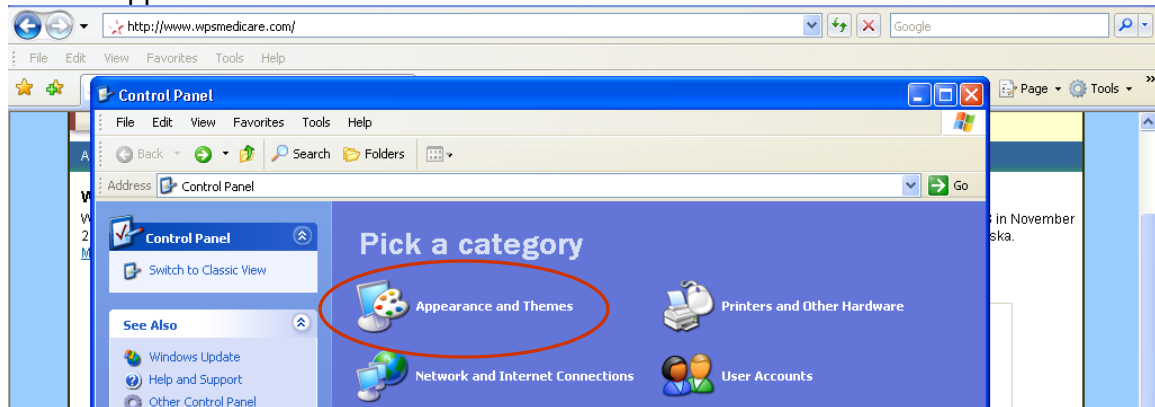

View the pages with your windows as close to maximum size as possible, or you will not be able to view the page correctly.

We recommend screen resolution set to 1024X768.

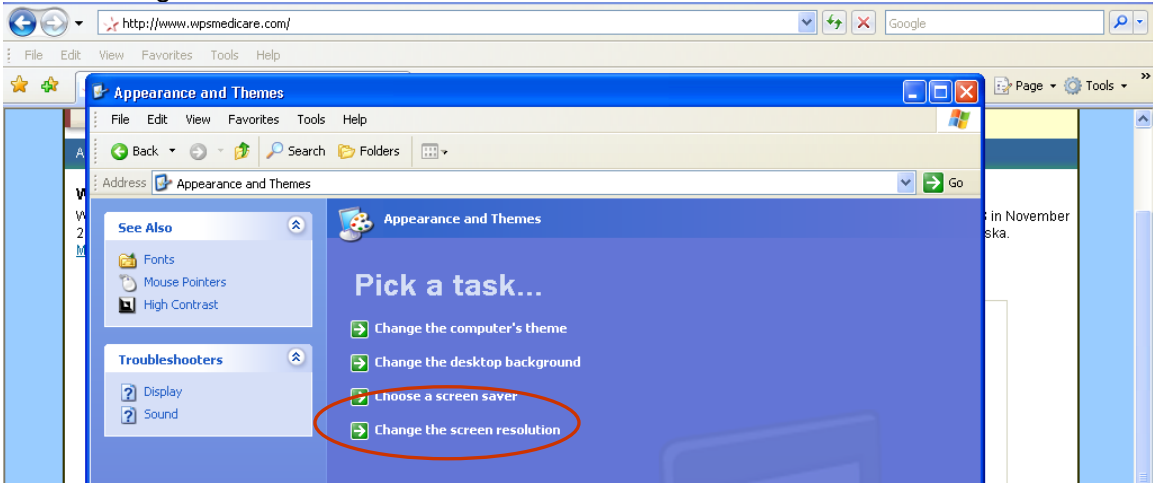

From the Start Menu, select "Settings," then click "Control Panel."

Select "Appearance and Themes."

Click "Change the Screen Resolution."

Use the slide bar to reset the screen resolution and click "OK."
