

## **PC-Ace Pro 32 V1.90 is Now Available Online!**

If you currently utilize WPS' version of PC-Ace Pro 32, effective February 15, 2008, PC-Ace V1.90 will be available for download. As an existing trading partner, you will need to download the upgrade at the following URL for Medicare B (IL, WI, MI, MN, and IA): <http://www.wpsic.com/edi/pcacepro32.shtml>.

You will need to select "Install PC-Ace Pro32 Version 1.90" and refer to the appropriate User guide located at the URL above. The user guide will contain the password required for the V1.90 upgrade. If you do not have access to the Web, please contact our EDI Help desk to have the V1.90 upgrade mailed to you.

The WPS EDI team will be working closely with each trade partner to ensure the transition to PC-Ace V1.90 is successful. If you have any questions about the PC-Ace Pro32 software, please contact our EDI Help Desk:

- [EDI Hotline \(Medicare Part B IL, MI, WI, MN\):](#) 1-877-567-7261
- [MAC Jurisdiction 5 EDI support:](#) 1-866-503-9670

You can also reach our Help desk at the following email addresses:

- [MAC Jurisdiction 5 EDI Support:](#) EDIMedicareB@wpsic.com

If you are currently using V1.84 of PC-Ace Pro 32 it will expire as of April 1, 2008. To avoid any delay in billing, please upgrade to V1.90 as soon as possible. If you have previously received PC-Ace Pro 32 from Mutual of Omaha, you will not need to complete this V1.90 upgrade from WPS.

Please note any future upgrades will be available quarterly (April, July, and October) at the following URL <http://www.wpsic.com/edi/pcacepro32.shtml>.
