

Update to the WPS Medicare Website

WPS Medicare and the Mutual of Omaha Medicare division, both long-time leaders in the processing of Medicare claims on behalf of the federal government, have integrated under the WPS Medicare banner to administer Part A and Part B Medicare claims. This venture brings together two organizations that have over 80 years combined experience processing Medicare claims.

As part of this integration, we will be updating the WPS Medicare Website in November. When you go to the redesigned WPS Medicare Website, it will look as it does below. Keep watching our Website and e-News Listserv messages for more information on the redesign.

The screenshot shows a Microsoft Internet Explorer browser window displaying the WPS Medicare website. The browser's address bar shows the URL: [Wisconsin Physicians Service Insurance Corporation - Medicare](#). The website header features the **WPS MEDICARE** logo in large blue letters, with "HEALTH INSURANCE" in smaller text below "WPS". To the right of the logo are navigation links: [About Us](#), [Web Tutorial/Help](#), and [Site Map](#). Below the logo is a dark blue banner with the text "A Medicare Contracted Carrier". The main content area begins with a heading "Welcome to WPS Medicare!" followed by a paragraph: "Welcome to the new WPS Medicare. We redesigned our Website to meet the needs of our expanding customer community. WPS Medicare is proud to serve Part B legacy providers in Wisconsin, Illinois, Michigan, and Minnesota and Part A legacy former Mutual of Omaha Medicare providers across the country. Our goal is to provide the highest quality Medicare claims administration and superior customer service. In keeping with this goal, we created this new Website to continue meeting the changing needs of our customers. We hope you will find this site helpful and easy to use. Read more [About WPS](#) >>". Below this are two columns of links. The left column is titled "Provider" and contains a bulleted list:

- [Part A Information](#)
- [Part B Information](#)
- [Unsure Where to Go?](#)

The right column is titled "People with Medicare" and contains a bulleted list:

- [Part A Information](#)
- [Part B Information](#)
- [Other](#)
- [Unsure Where to Go?](#)

At the bottom of the page, there is a footer with navigation links: [Home](#) | [Site Map](#) | [Help](#) | [Feedback](#), copyright information: ©2007 Wisconsin Physicians Insurance Corporation | All Rights Reserved, and additional links: [Privacy Statement](#) | [Legal Disclaimer](#). On the far right of the footer is the CMS logo with the text "CENTER for MEDICARE & MEDICAID SERVICES".
